CUSTOMER INFORMATION

1a. Table of awarded special item number(s) with appropriate cross-reference to item descriptions and awarded price(s).

SINs	Recovery SINs	SIN Description
541611	541611RC	Management and Financial Consulting, Acquisition and Grants Management Support, and Business Program and Project Management Services
54151S	54151SRC	Information Technology Professional Services
OLM	OLMSTLOC OLMRC	Order-Level Materials (OLM's)

1b. Identification of the lowest priced model number and lowest unit price for that model for each special item number awarded in the contract. This price is the Government price based on a unit of one, exclusive of any quantity/dollar volume, prompt payment, or any other concession affecting price. Those contracts that have unit prices based on the geographic location of the customer, should show the range of the lowest price, and cite the areas to which the prices apply. [See Page 4](#)

1c. If the Contractor is proposing hourly rates, a description of all corresponding commercial job titles, experience, functional responsibility, and education for those types of employees or subcontractors who will perform services shall be provided. If hourly rates are not applicable, indicate “Not applicable” for this item. [See Page 4](#)

2. Maximum order: **\$1,000,000**

3. Minimum order: **\$100**

4. Geographic coverage (delivery area). **Domestic**

5. Point(s) of production (city, county, and State or foreign country). **Spotsylvania, Spotsylvania, VA**

6. Discount from list prices or statement of net price. **Government Net Prices (discounts already deducted.)**

7. Quantity discounts. **None**

8. Prompt payment terms. **Net 30 days** Information for Ordering Offices: Prompt payment terms cannot be negotiated out of the contractual agreement in exchange for other concessions.

9. Foreign items (list items by country of origin). **Not Applicable**

10a. Time of delivery. (Contractor insert number of days.) **Contact Contractor or To Be Determined at the Task Order level**

- 10b. Expedited Delivery. Items available for expedited delivery are noted in this price list. [Contact Contractor or To Be Determined at the Task Order level](#)
- 10c. Overnight and 2-day delivery. [Contact Contractor or To Be Determined at the Task Order level](#)
- 10d. Urgent Requirements. [Contact Contractor or To Be Determined at the Task Order level](#)
11. F.O.B. point(s). **Destination**

Service Contract Labor Standards: The Service Contract Labor Standards (SCLS), formerly known as the Service Contract Act (SCA), is applicable to this contract as it applies to the entire Multiple Award Schedule (MAS) and all services provided. While no specific labor categories have been identified as being subject to SCLS/SCA due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29 CFR 541.300), this contract still maintains the provisions and protections for SCLS/SCA eligible labor categories. If and / or when the contractor adds SCLS/SCA labor categories to the contract through the modification process, the contractor must inform the Contracting Officer and establish a SCLS/SCA matrix identifying the GSA labor category titles, the occupational code, SCLS/SCA labor category titles and the applicable WD number. Failure to do so may result in cancellation of the contract.

Labor Category/Service Title	Labor Category/Service Description	Minimum Education	Minimum Years of Experience
104x1 - Consultant 1	Assesses the operational and functional baselines of an organization's charter, parent, and department levels to define and advise on the direction and strategy for an engagement while ensuring the organizational mission is being addressed. Typical areas addressed include Business Processes, Organization Structure, Policy, Crisis Management, Contingency Planning, and Operations. Identify information technology inadequacies and/or deficiencies that affect the organization's ability to support/meet organizational and departmental mission and goals. Generate functional area strategies for enhanced operations in a cross-functional area mode throughout the organization. Participate in account strategy sessions, strategic assessments and design reviews to validate enterprise approach and associated work products, and coordinating the resolution of highly complex problems and tasks. Strong verbal and written communications skills required.	Associates	1
